# Rural Community Development Society

## Introduction of the Project

RCDS is working in District Layyah since 2012 on Institutional Development through Social Mobilization and Capacity Building of Community Organization (CO), Village Organization (VO) and Local Support Organization (LSO) with the major participation of the poor with the special focus on women participation acting upon the core values of Inclusion, Transparency and Accountability. The main aim and objectives of the project to strengthen and sustain the institutions of the poor and create Community Resource Persons (CRPs) in different sectors.

Through PPAF funded Program RCDS aims at building capacity of Activists/Community Resource Persons on Millennium Development Goals, Rural Connectivity and Current Best Practices and Strategic Planning at LSO level/ Project Proposal Development at LSO level. Further to it Operation and Maintenance of Community Based Infrastructure Projects.

## Scope of work
